VI. ISSUANCE OF THE NJCP CREDENTIAL:

Following submission of a verified application, payment of the processing fee and review and approval by the Committee, a certificate will be issued to the applicant indicating certification by SJPA based on the educational and experience criteria set forth in Section IV. Upon such certification, the applicant will be permitted to use the credential "NJCP" after their name.

VII. CODE OF ETHICS:

All NJCPs are bound by the NFPA's Code of Ethics. Any NJCP who violates any provision of the Code of Ethics, is convicted of a felony or crime of moral turpitude, or engages in the unauthorized practice of law as determined by the Committee, will have his/her credentials revoked. Any NJCP may appeal the Committee's revocation decision by sending a written submission to the SJPA Board of Directors (Board) within 30 days of receipt of the decision.

VIII. CERTIFICATION COMMITTEE:

The Committee Chair (Chair) will be appointed by the President for a one year term (September through June). The Chair is responsible for selecting Committee members which would consist of three to five voting SJPA members, who are in good standing. The President then approves and appoints the Committee members for a term of one year (September through June).

The Chair reports directly to the President. The Chair is responsible for keeping the President and the Board updated on a regular basis as to the status of the NJCP program. The Chair will attend Board Meetings when feasible, but will not have voting privileges on the Board. In the event the Chair or a Committee member is unable to fulfill his/her term, the President will appoint a replacement expeditiously for the remainder of the term. The President has the discretion to appoint Board members to the Committee.

The Chair will receive applications and renewals and examine the qualifications of each applicant to determine whether the applicant meets the requirements of certification. The qualifications are then submitted to the Committee for their approval of the individual's qualifications. At the following Board meeting, the Chair is responsible for advising the Board of the qualifications for each applicant and/or renewal for a final approval.

If any applicant is denied certification by the Committee, the applicant may file an appeal to the Board within 30 days of the receipt of the decision. The Board will then make the final determination on the acceptance or rejection of NJCP certification.

IX. RENEWAL/EXPIRATION OF CREDENTIALS:

In order to maintain certification, the Committee has set forth the following certification requirements. The failure of a NJCP to fulfill any requirement and/or documentation will result in revocation of the NJCP certification.

Two months (60 days) prior to the certification renewal date, the Committee Chair will notify the NJCP that their renewal is due. The NJCP will be provided with the deadline date by which all renewal information must be received by the Committee.

The SJPAs website, www.sjparalegals.org will maintain a listing of current NJCP members and their renewal dates on the NJCP page. The information will also be listed regularly in the newsletter.

X. RENEWAL PROCEDURES:

At the time of renewal, the NJCP shall:

- A. Renew their certification every two years from the initial certification date;
