DESCRIPTION OF EVENTS

NOTE: The Sessions are geared to accommodate three levels of a paralegal's experience. Attendees may "mix and match" their seminar choices based on their individual needs.

Session I Seminars 9:00 – 10:15 AM

Beginner: Deciphering Your Auto Insurance Policy

Presented by Dawn Moskalow, NJCP (Grungo Colarulo)

In this session you will learn what the different options are in an automobile insurance policy and how they can affect you if you are in an auto accident. We will go in depth to discuss personal injury protection, medical payments, essential services benefits, lost wages and property damage choices. You will also learn about the tort threshold option and your underinsured/uninsured coverage.

Intermediate: Technology in the Courtroom

Presented by Evan Lide, Esq. (Stark & Stark)

Over the past 5 years, technology has changed the way cases are being tried in the Courtroom. No longer do we use boards and poster enlargements of evidence. Advanced tools like iPads, specialized programs and apps, as well as video and audio equipment, have revolutionized the way attorneys prepare presentations for trials and other legal proceedings. We will be showing how to prepare for a trial using the TrialPad application on the Ipad, along with several other applications available on the App Store.

Advanced: New Jersey Nuances in Real Estate Law

Presented by Frank Cosky, Esq.

Details to be provided.

Session II Seminars 10:30 – 11:45 AM

Beginner: Resumes, Cover Letters, and Interviews

Presented by Javan Jones (Stark & Stark)

Bring Your Resume and have it reviewed by an amazing HR generalist with one of the leading NJ law firms. Learn some trick and tips to help make sure your resume, cover letter, and interviewing skills are at a level that will all but guarantee you your job as a paralegal.

Intermediate: Collaborative Divorce: How It Differs from Litigation and Other Forms of Alternate Dispute Mechanisms

Presented by Meghan E. Bradley, Esq. (DeLorenzo Bradley & Banfe)

The program will provide an overview of the collaborative divorce process its statutory basis, and the role of the team and its members. It will also compare and contrast the collaborative divorce process with litigation, mediation and arbitration.

Advanced: Cannabis: The Garden State is Getting Greener!

Presented by Michael J. Haviland, Esq. and Eric P. Sando, Esq. (Earp Cohn, P.C.)

Join us for an informative discussion on the growing legalization of cannabis in New Jersey. We will cover various topics including the different cannabis markets (adult use, medicinal, and hemp), the dichotomy of federal and state law, permits and licensing, different regulations, proposed new legislation, and how to spot legal landmines.

Session III Seminars 12:50 – 2:10 PM

Beginner: A Day in the Life of a Traditional and Non-traditional Paralegal

Presented by Deb Brigher (Shop Core), Dawn Moskalow (Grungo Colarulo), Coleen Caruso (Begley Law Group)

Join us for a roundtable discussion of what the daily life a paralegal may look like in different capacities. Speak with a paralegal who is in the commercial real estate world, a paralegal manager, and a paralegal who has a medical background as well. Be prepared to ask questions and participate in the discussion.

Intermediate: The Paralegal's Role in an Elder Law Practice

Presented by Joellen Meckley, Esq. (Begley Law Group)

This presentation will provide an overview of the common legal services provided in an Elder Law practice and how a paralegal can support the attorney in that practice. Specific subjects covered will include: Estate planning and Administration, Medicaid planning, Guardianship, Estate litigation, and Life Care Planning. Attendees will learn about the various ways that Paralegals support elder law attorneys within each area of law.

Advanced: Using Motions Effectively

Presented by Safeed Rizvi, Esq. and Ahsan A. Jafry, Esq. (Burns White, LLC)

The presentation will provide an overview of three important components of motion practice: timing (when to file), content (what needs to be in the motion) and purpose (the reason for the motion). We will focus on discovery motions, summary judgment motions and pre-trial motions. Each of these motions has a unique impact on a litigation and we will provide an overview of how to use these motions effectively.

Session IV Seminar 2:15 – 3:30 PM

All Attendees: Sexual Harassment and the Ethics Rules 2019: What has changed? NOTHING!

Presented by Lori Hager, Esq. (Myers Wolin)

As the incidents of sexual harassment in the workplace have come to the forefront in many industries, it is important to remember that the New Jersey Rules of Professional Conduct have long established protections for attorneys and their staff from both internal and external sexual harassment. We will take a close look at RPC 5.3 and 8.4 and discover the protections and responsibilities each member of the legal community has to each other. As our positions and audience change, so do our responsibilities. We will discuss the various ways you can implement the Rules and improve your work place.
